I hereby acknowledge that both membership options (active membership as well as passive membership) both represent an *extraordinary* membership of the association Klavierfreude. They therefore do not include the right to vote at the general assembly. All active or passive members may however request to also become *ordinary* members, if they wish to regularly participate and assist in the internal activities and tasks of the association. The general assembly then decides upon this request via vote. Obtaining an ordinary membership status has no effect upon the distinction between active and passive membership.

The membership fee amounts to 50€ per year for active members and 35€ per year for passive members. The fee is to be paid in advance of every year of membership, and to be transferred to the following bank account: Klavierfreude Wien, AT59 2011 1848 9293 7700, BIC GIBAATWWXXX.

If a member wishes to change their membership from a passive membership to an active membership status, they are requested to inform the association board via email and to transfer the differential amount of 15€ to the association's bank account.

If a member wishes to change their membership from an active membership to a passive membership status, the differential amount will be refunded (proportionally to how many months into the membership the change is requested).

Memberships can be resigned at the end of every calendar year. The association board has to be notified about a resignation at least 2 months prior to the end of the calendar year, either via letter or via email.

☐ I acknowledge that I can request to be sent the status document in its latest version at any time by emailing to klavierfreude.wien@gmail.com.

☐ I have read the data protection declaration in its latest version (<https://klavierfreude.at/datenschutz/>) and acknowledge that I can request an English version at any time.
